Supported by Baxter Healthcare Ltd.

Baxter is offering to sponsor your participation in the symposium because it is relevant to your area of medical practice thus we believe it will advance your medical knowledge and enhance patient care. Your participation in the Symposium has not been determined in any manner with regard to or in exchange for any implicit or explicit agreement to purchase, recommend, use or prescribe Baxter's products or in relation to the value or volume of any business generated between the parties.

If you accept this invitation, it is your responsibility to ensure that your participation at the Symposium and acceptance of Baxter's sponsorship is in compliance with all laws, codes of practice and Medical Institution rules and policies applicable to you. Likewise, it is your responsibility to notify your employer of your participation in the Symposium and of Baxter's sponsorship and, if required, to obtain any necessary approvals. If local laws, codes of practice and/or Medical Institution rules require approval of your employer, please have obtained this approval or secured your employer's signature.
